Dear General Porter:

Many thanks for your card. I too wish you  
a very Merry Christmas and a Happy New Year.

I am off on a trip and will be back in  
January. Can I give you a ring then and see if  
we can get together for me to drop around and  
see you some weekend.

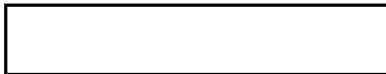

Hope this finds you well and happy. It is  
a tough battle but worth it.

Faithfully,

Vernon A. Walters
